

**NOTICE OF APPLICATION TO THE
ENVIRONMENT COURT FOR DECLARATIONS
IN RESPECT OF D14 VOLCANIC VIEWSHAFTS
AND HEIGHT SENSITIVE AREAS OVERLAY -
AUCKLAND UNITARY PLAN:
ENV-2018-AKL-000276**

On 8 October 2018, the Tūpuna Maunga o Tāmaki Makaurau Authority applied to the Environment Court for declarations in respect of rules D14.4.1(A3) and D14.4.1(A7).

In general terms, the declarations seek to ascertain the building height limits under the Auckland Unitary Plan within areas that fall within both a scheduled 'regionally significant volcanic viewshaft' and a 'height sensitive area'.

If you require a copy of the application, please contact Annie O'Connor at annie.oconnor@buddlefindlay.com or (04) 462 0945.

Any person who has the right to join the proceedings as an interested party under s 274 of the Resource Management Act 1991 may do so by giving notice by **30 November 2018**. Further information on the Environment Court process is available at the following website: www.environmentcourt.govt.nz
