

## Executive Summary

Resource consent was issued in 2021 for up to 6 concert events at Eden Park in any calendar year including all related set-up, pack-down, and traffic and crowd management activities.

The Eden Park Trust seeks resource consent to hold up to 12 concert events at Eden Park in any calendar year performed by no more than six different artists or acts (excluding supporting acts). The concerts would take place on weekdays, Saturdays, Sundays and public holidays, subject to restrictions on frequency, duration and timing, and to being carried out in accordance with a comprehensive Operating Management Plan, incorporating Event Management, Community Consultation and Communication, Pre and Post Event Management and Traffic Management.

Eden Park is zoned Special Purpose - Major Recreation Facility in the Auckland Unitary Plan (Operative in Part) 2016. It is also subject to the Eden Park Precinct. More than six concerts in a 12-month period are listed as a non-complying activity.
