15. Signature of the applicant(s) or agent

Please read these notes before signing the application form

**Payment of fees and charges**

The council may charge the applicant for all costs actually and reasonably incurred in processing this application. Subject to the applicant's rights under sections 357B and 358 of the RMA to object to any costs, the applicant undertakes to pay all and future processing costs incurred by the council. The council may issue interim invoices for applications. If any steps, including the use of debt collectors and/or lawyers, are necessary to recover unpaid processing costs, the applicant agrees to pay all collection costs. If this application is made on behalf of a trust (private or family), a society (incorporated or unincorporated) or a company, in signing this application the applicant binds the trust, society or company to pay all the above costs and guarantee to pay all the above costs in their personal capacity. Refer to the council's fees and charges schedule found at: [aucklandcouncil.govt.nz/resourceconsents](http://aucklandcouncil.govt.nz/resourceconsents)

**Note:** some regional permits include ongoing annual charges in addition to the processing fee. These are payable by the consent holder.

**Development and financial contributions**

When granting consent to certain activities, the council may levy a monetary contribution. Development contributions are levied under the Local Government Act 2002 in accordance with the council's Development Contribution Policy. Financial or reserve contributions are levied under the RMA under the relevant district plan. When such contributions become due, the consent holder is responsible for their payment. Unless otherwise advised, the name and contact address of the person responsible for payment of any contributions will be taken as the applicant.

# Checklist for resource consent applications under the Auckland Unitary Plan / Hauraki Gulf Islands Plan

This checklist is designed to ensure that you submit all the required information with your resource consent application. Please read it and answer all relevant questions in your Assessment of Environmental Effects (AEE). Please attach this checklist to Form A when submitting your application. If you provide inadequate information, the processing of your application may be delayed.

The level of information provided should be both relevant and appropriate to the scale of the proposal. This may require independent specialist(s) input. This checklist is not exhaustive. Depending on the specific nature of your application, the council may require further information during processing to enable a better understanding of the effects of your proposal.
