NOTICE OF PERSON'S WISH TO BE PARTY TO PROCEEDINGS

Section 274, Resource Management Act 1991

To The Registrar
Environment Court
Auckland

FBL Properties Limited gives notice under section 274 of the Resource Management Act 1991 ("RMA") that it wishes to be a party to the appeal ("Appeal") by **Future-Kumeu Incorporated** against the decision of the respondent on the proposed decision on the notices of requirement for:

- (a) (HS) Huapai Rapid Transit Station;
- (b) (KS) Kumeū Rapid Transit Station;
- (c) (S2) Alteration to designation 6766 State Highway 16 Main Road Upgrade; and
- (d) (S3) Rapid Transit Corridor.

(together Designations)

2 FBL Properties Limited made a submission about the subject matter of the proceedings, specifically on the KS notices of requirement in the designation hearing.

FBL Properties Limited are directly affected as:

- (a) 299 Main Road, Huapai, is owned by Jim and John Francis through their family trusts.
- (b) The Francis brothers have owned the site since around 1990, after leasing it since before 1980.
- (c) The site houses two long-standing businesses: Kumeu Garden Centre and Carriages Café, which has been a local gathering spot.
- (d) For 40 years, the Francis brothers have maintained a grassed common area east of the Huapai Stream for community use.
- (e) They also created a large pond near this area for community enjoyment, with riparian vegetation shown in Figure 8-2 of the Assessment of Landscape Effects.

- (f) The large tarsealed car park between the Garden Centre and the bottle store, although privately owned, has always been left undeveloped for community benefit.
- (g) This car park is used for community events, including by touring car clubs, and serves as overflow parking for the historic Huapai Tavern.
- (h) The Francis brothers have sacrificed development opportunities to preserve these public spaces, which are among the only three available on Main Road Kumeu and Huapai.

Trade competition

- 3 FBL Properties Limited is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

The Proceedings

- 4 FBL Properties Limited is interested in all of the proceedings.

Particular Issues

- 5 FBL Properties Limited is interested in the following particular issues:
 - (a) location of the proposed routes;
 - (b) the assessment of alternatives;
 - (c) the lapse periods; and
 - (d) the conditions for flooding related to the Designations.

Relief sought

- 6 FBL Properties Limited supports that relief sought by Future-Kumeu Incorporated for the following reasons:
 - (a) Is inconsistent with the objectives and policies of the relevant planning documents, including the Unitary Plan and the Regional Policy Statement (RPS);
 - (b) does not adequately address the reasonably foreseeable needs of future generations;

- (c) does not support the social, economic, and cultural well-being of the Auckland community.
- (d) the Designations will have significant adverse environmental effects;
- (e) there is inadequate mitigation of flooding; and
- (f) the twenty-year lapse period for the Designation is unreasonable and imposes undue burdens on landowners, resulting in planning blight.

Dispute resolution

7 FBL Properties Limited agrees to participate in mediation or other alternative dispute resolution of the proceedings.
