### **Minutes:**

- Opened with a karakia

- Introductions
- Presented slides (attached) providing context and details of the proposed private plan change
- General questions raised in respect to John's Creek, riparian margins and the viewshaft.
- Ngati Maru choose not to provide a CVA, instead the agreed approach for engagement with Ngati Maru will be to share relevant draft reports for review and comment followed by hui to discuss queries.

**Actions:**

- FB will circulate the powerpoint presentation to invitees (attached).
- FB will circulate relevant reports (i.e. precinct provisions, archaeology, ecology etc.) to iwi in February for their review and comments.
- FB to book next hui mid-late February 2023.
