- 1 Northridge2018 Limited (**Northridge**) appeals a decision on a notice of requirement for a designation for:
 - (a) New Connection between Milldale and Grand Drive (**NOR 6**); and
 - (b) Upgrade to Wainui Road (**NOR 10**).
- 2 Northridge made a submission on the notice of requirement.
- 3 Northridge received notice of the decision on or about 23 January 2025.
- 4 The decision was made by Auckland Transport.
- 5 Northridge is not a trade competitor for the purposes of section 308D of the Resource Management Act 1991.
- 6 The part of the decision Northridge is appealing is the parts that relates to and affects 379 Wainui Road, Upper Orewa (legally described as Part Allotment 52 Parish of Waiwera SO 1138 held in records of title NA15D/1457 and NA86D/471).
- 7 The site or place to which the requirement relates is:

 - (b) for NOR 10, Wainui Road between Lysnar Road and the State Highway 1 northbound offramp.
- 8 The reasons for the appeal are as follows:
 - (a) the nature, scale, and character of the existing business at 379 Wainui Road, being Northridge Country Lodge, a 9-hole golf course, restaurant/café, conference centre, and 27-room hotel has not been adequately taken into account

- (b) the designation will have significant adverse effects on the future functionality and operation of Northridge Country Lodge
- (c) the land area required by NOR 10 will permanently compromise the existing golf course
- (d) an alternative alignment that reduces the impact of the designation on 379 Wainui Road is available; and
- (e) the conditions fail to make adequate provision for:
 - (i) the retention and/or reinstatement of mature trees and existing vegetation within 379 Wainui Road; and
 - (ii) the continuation of the business at 379 Wainui Road, with minimal interruption, during construction.

9 Northridge seeks the following relief:

- (a) in respect of NOR 6:
 - (i) an amendment to the designation boundary to reduce the area of 379 Wainui Road affected by the designation
 - (ii) specific acknowledgement that the owners and operators (jointly and severally) of the Northridge Golf Resort at 379 Wainui Road are stakeholders in respect of conditions 4 and 14
 - (iii) a requirement in condition 13 that management plans be made available to the public on the project website; and
 - (iv) insert “existing mature trees and other vegetation” in the list of features to be reinstated if disturbed during construction in condition 18(c)(x)
- (b) in respect of NOR 10:
 - (i) an amendment to the designation boundary to reduce the area of 379 Wainui Road affected by the designation

- (ii) a positive statement in condition 9 that 379 Wainui Road shall not be used for stormwater management to the effect that 379 Wainui Road shall not be used for stormwater ponds or other stormwater detention or retention devices

- (iv) a requirement in condition 12 that management plans be made available to the public on the project website
- (v) insert “existing mature trees and other vegetation” in the list of features to be reinstated if disturbed during construction in condition 17(c)(x); and
