Environment Court
Auckland

1. New Zealand Transport Agency Waka Kotahi (**NZTA**) wishes to be a party to the following proceeding:
 - (a) *P2W Services Limited v Auckland Transport* – ENV-2024-AKL-000183.
2. NZTA has an interest in the proceeding that is greater than the interest of the general public. The Warkworth Package (the **Project**) is one of the projects undertaken by Te Tupu Ngātahi Supporting Growth Alliance (**Te Tupu Ngātahi**), a collaboration between Auckland Transport and NZTA. The purpose of Te Tupu Ngātahi is to investigate, plan and designate land for 70 transport projects to support growth in Auckland over the next 30 years. There are eight notices of requirement for the Project, which include the following notice subject to this proceeding: NoR 1: Northern Public Transport Hub and Western Link – North.
3. NZTA also has a long-term interest in the NoR 1 project area as the requiring authority of the nearby NZTA Ara Tūhono Puhoi to Warkworth project, for which the Appellant is delivering the Assessment Management and Maintenance services for the next 25 years, under a subcontract with the Northern Express Group, which forms part of the Private Public Partnership with NZTA.
4. NZTA is not a trade competitor for the purposes of section 308C of the Resource Management Act 1991 (the **Act**).
5. NZTA is interested in all of the proceeding and wishes to be heard on the appeal in its entirety.

NZTA's position on the proceedings

6. NZTA neither supports nor opposes the relief sought, but seeks to maintain a watching brief over the proceeding. In particular, NZTA may have an interest in any changes to conditions which refer to interests of parties involved in the Private Public Partnership with NZTA.

7. NZTA agrees to participate in mediation or other alternative dispute resolution of the proceeding.
