Questions

8 Please comment on any changes or trends in the committee's workload in 2023-2024.

report:

The trend of virtual attendance at hearings continues and expect this to increase over the next year as cross-examination is phased out.

The number of opposed applications being withdrawn before the hearing is held has increased again as parties talk to each other and come to an agreement ahead of the hearing.

The number of hearings being held over the last eight years has been steadily decreasing (I was going to include a table but this system wont allow a table to be inserted). The number of Manager Certificate hearings has decreased significantly. Many hearings that are set down for hearing are vacated as the parties come to an agreement and the matter is then dealt with on-the-papers.

In lieu of my graph, the numbers are:

FY16/17 - 97 hearings

FY17/18 - 75 hearings

FY18/19 - 38 hearings

FY19/20 - 72 hearings

FY20/21 - 50 hearings

FY21/22 - 35 hearings

FY22/23 - 42 hearings

FY23/24 - 31 hearings

At this stage, there has not been any noticeable increase in the number of objections from the public as a result of the Sale and Supply of Alcohol (Community Participation) Amendment Act 2023.

9 Please comment on any new initiatives the committee has developed/adopted in 2023-2024.

report:

In accordance with the new S203A, the Auckland District Licensing Committee has produced its procedure manual that can be found on the Auckland Council website.

The Auckland District Licensing Committee has a series of practice notes on various topics. In the last financial year, the following practice notes were updated:

- Social and host responsibility policies
- Internal signage
- External advertising
- Plans and photographs for supermarkets and grocery stores

The Auckland District Licensing Committee Practice Notes can be found on the Auckland Council website.

LAPs

10 Has your committee developed a Local Alcohol Policy? (LAP)

Yes

If the answer is yes, at what stage is your LAP?

Under Appeal to ARLA

11 If the answer to 10 is 'in force', what effect do you consider your LAP is having?

report:

12 If the answer to 10 is 'in force', when is your LAP due for review - date?

report:

Operations

13 Please comment on the ways in which you believe the Sale and Supply of Alcohol Act 2012 is, or is not, achieving its objective. Note: the object of the Act is: a) The sale, supply, and consumption of alcohol should be undertaken safely and responsibly; and b) The harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

report:

Have not seen any change since the introduction of the Community Act in August 2023.

14 What changes or trends in licensing have you seen since the Act came into force?

report:

Expansion of different ways to sell alcohol in particular the remote sale of alcohol.

15 What changes to practices and procedures under the Act (if any) would you find beneficial?

report:

Just want to note that a decision on the Fees Regulations review from 2022 has still not been made by the Minister of Justice. It would be helpful if this happened.
